EXPERIENCE

Web Design Intern // Twenty Over Ten, State College, Pennsylvania

Part of a team in charge of quality assurance for an upcoming web platform. As well as helping design sites for clients using the platform.

Graphic Design Intern // Cinequest, San Jose, California

Created posters, invitations, sign-age, and vinyls for their upcoming film festival in Illustrator, Photoshop and InDesign. Was given the responsibility of handling most printing and crafting assignments.

Graphic Design Intern // 1185, Palo Alto, California

Helping design logos for startups throughout Silicon Valley. I am also one of the designers in charge of the opening campaign for Stanford University's new hospital.
